

Japan

September 1992

One

At the morning's motion oh sun of Sunday unyet,
To please, season's seizing, sea-crossed certainty.
Lost at last, ye draping-done witness aloud,
For this – the fish-lift/wish-gift investigation's
Outboard motor-tone, really doing all-over's time.
From now to unlearning's rounding off, radial
By in-particular/auricular middle spin within.
Taught by the unsuited sweet in ties of what
White arrival-bound nouns-by-the-pound allows.

Two

Brightly unlit no outta-sight/butter-slight dish,
Fitting unwitting bellows by never's kind laugh.
To grace in agreement's floating fixture what
Seems the notch of notion, with question.
What slim sleep, what window-worn winds of
Night's common sky/so hope as hope's appearance.
Fiddle-twitch wish gongs ado this day of dog
And another thing from here there by all
Possible twirls (notwithstanding) hand feature.

Three

At a window's woolly wink no place again,
Plea with every cat-chase/mat-face alone-ya.
No-part the part of all-aroma un-around,
But see-three a nether-block tympanic bit.
From thee, halls-off mounting zoomerang
To pocky-pock knockulations illustrious,
Farther to gather/fitter bathers so doing.
None but these: the backland breed of
True bastards (oh am within family's
Mildest farce) yopping rest-cone license.

Four

Fish-found preponderance focus-long arrival,
Number-funny lung-rings a-climbing so forth.
The piece and pie-size port within portion's
Hardy-mark grassy graduality (the becoming).
Not the lost but these the leaving's foundation,
Certain-then, forty-north sports toned basic.
Keeping in keeping's notion-so, fit this within
Fillet abbreviation, hooray alleviation, curly.
Fortune's great goodness slumber-spent soundly,
Face by face a passage-put position seeing so.

Five

Motion's murk (oh sadly-sewn arithmetic),
A mirth's girth at finest plow-dam on sight.
Back-along/raw-with/umbrage, no dip from
Split-tip implicative drawn life-large, eh?
As delicate a relic on pelican-melody's
Pup-pup lake-lap of growling allowances,
Firstly's proper clarity-marriage on-line.
Fit for dandy-decent enervative-swerve
Bicuspidar-dust/milk-gnash dotty-dash close.

Six

One willing's wonder to rather's damp wallow,
Here for the handful's host: nomenclature up.
Far and following's fit feast dreaming only
Upon whichnever's occupant: ye fully legged so.
Pressure-dressing lumbar-lump to lamplit
Pizzicatatonic sonic moon: piece by nimble
Piece (another's dimple) puzzle-cause roster.
Deem-so/belief-skeet knowing return for
Out pasture's early nature seed positioning.

Seven

One numberless forth-from in ace-mention/
Place-dentation (no for an answer's mini-digitum).
Here-for/there-on it's a day's silence to
A night's holy sky (by all lasting's fill).
What's a fit-felt fabrication to this the
Well-swelling telling's grade of approach,
Never to sound so singular/pound as well.
Better than several's fountain-limb unity
By-gosh/brightly-galore's long long beyond.

Eight

What's rumbly wonder-drone on higher backings of,
Not what you'd think but there's the coo-coo-bit.
Farther north: upper-deck stiff-neck election by the
Horse of follow's wooden stair (look no saddle),
How's with the night's ample doings (?) but.
For how-many's round-with/sound-with inclusion,
No offer reformed at so lay-low a pay-no.
Cannon upon cannon's true shadow-tent in
Ripple-dancer's costly-consumed accustomed call.

Nine

Then came the rains, loping open window's hope,
A case-maker's unpaced place for temptation.
Fried-lied denials at forty-pace's cross-pole
No need to ascertain without's chatty fact,
But steadwise otherly smother what needs be.
Keep to the deep-sweeping sleep-off's eye,
For it is so in so and so forth's faces.
Unbarged enlargements at made relation's
Patience-trod noddings once east, once west.

Ten

Enabler's ability-borne bereavement begone,
No of no-more's nohow/noway not-this-time.
Ah to the sky then, (picture-points procure)
A deed in a deed: in reading read a writer.
There's the find often-wise (foundation-free)
For this winding's slow accumulation-check
Aw-heck directive but smoother by tonight
Cryptic-capitals oh since-time going's up
No-roomless/though-drumful luck-lining.

Eleven

When's blooming again at late-lorn return,
So-put the no-put: fresh from tomorrow's eye,
Thee (the octave's horn) with time-toward tense,
Free but magazine-dream perfect-sense dye.
Upon then on/gone then go, ye form of one
And flat-iron re-figuration (drowsy-dowser),
Feet-with skill in stepping silence toes.
That's it while else's melting bounds go
Settle-nettle calling so verbal so, close.

Twelve

An obviated methodology's corner square-block,
Reticent by nature but innocent through misuse.
Free-linking then steel-bit threading with
Every-said letter to mention-identation rollick's
Thrice-become back-shot sport-short remembrance.
Holding's double-north replacement no wide
Concentration as breakable/makeable place.
Calm-claim arrangement but not with-all
In/out reliances misunderstood as ever.

Thirteen

The how of how's-about-it but an unbefore,
Since with sentence's cardinal resurrection.
Flim-flam/dim-running such-time as now,
But flurry-bent alphabet-bound soundings.
Clearly-so reliability only by incings wince,
Find let-go light-wise alliances with ease
Not-only's careful daring supposes surely.
At-finding's told-clip to all's fitful nod,
Practical-snack duration of forgetting mixture.

Fourteen

Picture-tincture emerald-heraldry in summation,
For within fortune (O simple-dimple down-up doings).
Feat so repeater's neat-seat exception without,
Argyle argumental/case-class harassment bit.
Cause for circuitous march-time implementation
On rugs of snug butter-dish clickings by
No shelf-life knife-and-forked tongue rungs.
Here's the send of sent-for's artful hand,
Nowhere's clamorings sameness unbuckle.

Fifteen

Having-known/giving-run fun-bits at last,
Many-sides to any-mind's furthest intention.
Realizing only too much a how-now policy,
Great and good this piece-work to nurture.
Clean with dream-scene meaning's alter
Ultimations on wide-screen motions upon,
Quay and sail-off suppositions attuned as.
Humbler science to skeet what graphic-of
In crumbly-dumb wit-worn material sketch.

Sixteen

The other of another's foot-length motion,
Not by time by but time to time's ink-rhyme.
Newly-wording present-tense tobacco-barn,
Shoe-rule implore to schoolish invention.
It's these: oh tree-sight night all-lasting
With pre-root two-scoot nuisance-doom,
Forming flatly by pat-pat nature-norms.
Thanks again, ye whittles-sticks/tockling,
Nothing there no sail's bucket unfills.

Seventeen

Then: one moon-fuller's Sunday extent; so,
If for morning on the morrow's pine-tar.
Such as sudden's intern/spin/fly nice-way,
But thither as simmer's rustle-thus fleece.
What-line/hind with features so linearly
Spinning that leap-o-faith nations fly,
Come-upon's nature unto love (it's along).
Care's lime-skin respiration no image of
A name's always-notch likewise become.

Eighteen

Unspent dentation's chew-to-you reasons,
Fuller with file-fit propriety: wondrously.
After's near-sound by along's returning.
Nothing but this: the whole of tomorrow
On-course through grading's revivals.
Fresh-at-day's inkling mixture-mark,
Settle's hair-soak reliability so doing.
Up-and-upon's approaching entries,
This the way of rest to resistance.

Nineteen

Petite yet largo-mungo montagular flooring,
Numberless singularity by all-wise surprises.
Statements as to the effect: pierce-promise
Prognostication in truly sudden eventuality's
Robust nods of affirmative rumour, yes-yes-yes.
For this last-time's more-than-ever severity:
Camp-lamp/romp-companion's sibling riddle.
Offer extends until march: let allowing's
Measure but deem a perfect pic-nic.

Twenty

In pepper-grain repartee so thin an alley's foot
Might simmer-slow close-buoy for those instead.
What-wow/form-now's incomplete dreamer's
Accumulative pin-store rescue warning aloud.
Can ever's neat-light orion-sign knees
On savior-sound/labor-ground duty suppose,
Yet feeling-so/wheeling-so's acrobat knit?
Question's thus-must opera: motive-host dozen
For to-ton-tone-stone eternity, oh tempo.

Twenty-one

Distant rejoinderistic latitudinous mash-pie,
Not-so-fast speed-square relations up-giving.
An unbeginning's plural-durality on size,
Here's the rub-down's lumber-lift alright.
Thinking of now-then's double-borne spot
Of cross-talking's close-peel clippings,
Careful for the age of repositive clam.
Not-for-sale, lane-width methods only
Known for what's-that-sound's research.

Twenty-two

Three-field/free-fold in-rolled allusions
Fifty-flat (a-tat) loose by natural revision.
Stand of standard's (reco-deco) neck-outings,
Please see side panel for duty-done tellings.
No-forth and off-on, thinking softly of all
Nicey-nice speech-parts: creations widening
Message at all-upon angles repositioning.
This the verb of voluntary reaction making,
As through mucky-murk's marsh slices soul.

Twenty-three

What-wall's falling rally-pal pronunciation,
On gates of wild informal euphoria-sleet ports.
No rural idention but supper-real kneel,
Here the case a fiddle's bout so turning-to.
Fix a term's ocean-stage to fat fathom
Figurations of (slight alliance and clasp),
Withering stern what wandering weather.
For this: classic new-before replacement,
No last a past-sop/rest-knock's along.

Twenty-four

Action's dim abstractions by sleeping's conjure,
For the preposition's mention (on-line spine).
Deal's non-profit socket to ease what seems
The cane-forest calamity's festive lighting.
Not this: continue's repetition-ripe hyphen
Tone-connecting missing-issue reformations,
That's surely a fine-line's apple-trap cap.
Ho-ho-ho the dozen-or-so rote-notions yearly,
Nice-bowl/twice-cold memories's shifting stain.

Twenty-five

(Jeepers), at length-time/strength-rhyme point,
no-sweat the wrangle-angle's thoroughfare of.
What-holds/hat-whorls to these: ancient makings
From double-doubts toward numbered stubbles.
This (now): erase of co-cause's no-pause laws
If that'll be the day of descent-time (lordy),
But here's our second theatre-treat seating.
No scheme like the old scheme: just another
Farming community's non-option in taking note.

Twenty-six

Rates in greatness: fitful deeds by sitful needs,
No-purse contractions on salad-bun events.
Keeping's crisp mention on call-upon/falling's
Recircling deem-rune colorations (so possible).
Back-gnash tickly-itch main projections over
Parent of transparent's narrative going along,
Less one often/more cute than a falling star.
Perhaps at last one within lone's correlation,
Inner of dinner's glancing-light post-preference.

Twenty-seven

Andy beginning (spiny-spine) mind-line impliances,
Dark-marsh/re-wash image-span high-lighter's pie.
Too restful for ahoy-alloy toy-ploy to seclude,
This-morning's home-motion a toss-off's heave.
What's sad-rad-and-oh-so-bad? A not-not's
So central mention of hurried acrossness
By all-over's merchant-trial standard-cabs.
Close; number's lilting-pitch nook (by)
Ye climb of looking-laughter's ascent.

Twenty-eight

Little-nilly noggin-note, running nine-to-one,
Ferver-node emplication-mate on terror's plain.
Not-this's orchestral circumference away,
To see and not to say as several's sitcom.
A cloak in cough's missing magic-casting
Formulation for the true discontent towers.
Fresh from the nearest no-place again-wise.
More the simple-say extent of loping-rope
Classic-lasso rid within riddle's middlest.

Twenty-nine

Across the fetch of a wretch-pressing
Some-dome invective: nobody's hurried pool.
What-rush mush-time loop-stoop on wheels,
Careful the effort's time-time chromatic.
Kiss (oh kiss) our never's nickel-known
Impression to the plate's neighbor-mate,
For-then: most of this sits so, so-saying
Our's the self-writ/spin-wit diphthong shoe,
So pretty-pent it's lay-song ready-bursts.

Thirty

Sear within search's rumbly call-up,
Hoarse and chore-bone borne of isn't.
When's pit-net unsettling swervent,
All-same's either-wise size-off together.
Put this upon that: surety-sworn odor
Of oath and mathematical mixture-bowl,
Cheese of breeze-built bygonas as rapid.
Two-sides so bead-braiding a wind-arm's
Ample tickle-click (sunder-unto) comedy.

Thirty-one

Rolling gesture if's within prolific's fixture,
At within later's stumbling-event centurions.
Me within meaning's much-more morphic mulch,
(see above) for sea-song silent-type suds.
No-longer wish in hearing's twin rivulets
This-with-that's (nature-stitch suited pattern),
But full-flame indentation with mis-match.
Steady-tow/ready-row in each-dish's script,
Win within winding's return: pleasing reason.

Thirty-two

To move in motion's motive bye-bye size,
Not unforgettative by nightly-known study-up.
Frantic-prank cards-at-table in a single's
Significant rideology of greatness gone.
Arm's alarm no-peace release (in-office),
Fence-bent anxious in link-tink lanky-lore
By-the-pound imploring plurals: hot tea mullings.
So-forth worthy not-quite in reddening's
Part-view/large-next opportunity's pop.

Thirty-three

Unknower's plow-margin to final-soak,
Timber's rolling-stripe on roadway's empire.
Through night's positive arch-width on-scale
To perfection's anti-sack pre-llarity design.
Might-have's okay-then list of non-nouns
From high-title's personal prefix by-gum.
Hither/thither's assignment of uncreation.
In waiting's proper-nod repose belonging,
With meal-mate's home-call at kindly times.

Thirty-four

In down of broke-spoken wheel-base aces,
No-hand the still-stand hurling reversal urge.
Time to read and readily-stead what serves
Simply with no-side compliance storing spare.
Sparse-green (oh parsley-print) instinct
At level-meeting deal-doings with all,
No truth left unearned this wishing well.
Either's complete designation on rows of
Floor-top/locality-rock near homing-coat.

Thirty-five

Certain perk-for-work's done-drumming,
Be at this: pry and pry's gritty clenches.
To see within seed's rattling-riddle time,
But for this-n'-that's unspat prattle-o.
Leaning's harbor-word of guess-muster
With cape-apple/late-tipple mis-footing,
Sit by an hour's best-unrest sendings-on.
No: not other's kiddish/radish maxims
So-remembered/though/encumbered re-telling.

Thirty-six

What's in an evening's rolling-sky intent?
Oh festering question of air and over-there.
Pane-straightness to window-wise glidings,
Of course a slide's wide-line/time-finding.
Can (of-never's nerve) concern's cave-floor
As writing's scale-apply full-ensignment
With nifty-fixture pending-parts making well.
Light-sending's efficient-silly nigh-surprisal
Exactng what single-most edge-perfection.

Thirty-seven

More-slide's fragmental suspensive ditch,
No-up/no-down unblown freedom's bring.
Her's as-is/was-now power and premise,
To see another-other piece-doing's of.
Unfitting's nifty newt-form per gallon's
Often-saying switch-click acrossing us,
No-plaid deterrent but softly amusing.
That: with breath-in/breath-out's re-order
Then saying's quiet post-apparent pearl sky.

Thirty-eight

Not-now's newest knot-enough muffin's meek,
To breaking's marvel-moat with circularity.
At knowledge-end suspension's stoplessness
Gets pull-pull to intra-rule schooling.
Ish of a finishing's dish-tone imbursement,
Case-calm by northern standards at time's
Loose-carriage provision: arm's solid flex.
To call and consider so perfectly upon,
What stems thus: vention's speaking line.

Thirty-nine

Sweet as in tomorrow's fervor-nerve's get,
To sound and sent-to in perfection's gloss.
Shine within shining's ever-so selection-of,
Farther-than's mid-noon soufflé on tiles.
Fresh from the ore-meaning's entire size
To clear-nesting duties at pointing's spot,
Get within together's opus-hope example-stand.
This the top-to-bottom's surface renditioning,
Catching's nimble-clasp at variance to always.

Forty

The does in doing's change-a-buck motion,
Oh free-season recollection for times ahead.
Now-see/so-ascertaining's middling verb,
Not-sudden/hot-ruddy diplomacies all within.
Running-rage dream from late-tending's mind
With place-filling possibility framing cause,
To sense's helpless acceptance-of: reaction.
Differing's arch-bridge(ing) be within maybe
Thus as truss connects, contains, corresponds to.

Forty-one

How-spoken/now-looking's dual doubly din,
To see and sound-out certain's now-now.
Per-pound's atmospheric nickel-nudges of,
Ten-times flower-note emphatic insistence.
This the piping's bell-tone/knell-bone source.
No-argument's clean relinquishment calls
Thunder-parts to saving's graceful drumming.
Working's decent-drone a-humming's hypnoid,
Thyself an else-wise cry of climbing thought.

Forty-two

Lessening-extra (moosh) delicate nounage,
By sink-house/pink-mouse delivery's harborings.
Ruinatation's non-split by enough's rowdies,
Keeping to all's high-entirety at any rate.
Pinch-pond padding's from memorial mage,
It's here/it's there by gumption's already
Endless mid-place in wording's go-ahead.
To see or naughty see, (thaddeus quester,)
No-nomenclature's unknown within strolling.

Forty-three

Mind's cross-net/moss-fit-to: scene as so,
What begs completion's totality-turning.
For this: the cane's warm bend inward,
Toward starting's pleasing screen-fold.
At better's up-and-up attentive stance,
Keeping's revolving-surface sphere afloat
With next-dexterity's humble entirety.
For now: together-with's wheat and rye kind,
As end within bending's circular center.

Forty-four

Space of one minute (in-it) then-block when,
To complete's rising origin by golly-gee.
Feats with storied-arms/late-alarming's
Personal version: dreaming's lean steamer.
No-resistance's won specificity only, as
What-will's random urgency notes one
After another-wise: burning-heart's orange.
To tally with total's true intent-line,
Finding's lane-induction too penultimate.

Forty-five

In nearly ripped response to any's ovality,
A real-deal's importune referendum-o.
By else-wise stance's gum within argument,
(it the it's uncertain bit), concerning all.
What-line/some-time's never-know/several-of
Romping for extra-stepping's daily scale
A nation's fund-for-all partially resumes.

Forty-six

Most a morning's mid-mush interceptive slice,
Too-facing what seems (another yet) holiness.
Not to say, in fact, what dithers dathers,
Rather, then, to ascertainistically refute.
Finishing later: notch-point annointings
So darlinged upon as to become unsavory.
No-no, the row of slow's dim allowance,
Ready-and-steady in beaching ahead fully.

Forty-seven

Larking's happy-calm long-look (doing's it),
Of air's numberless motion-nest indeedy.
To brink and braid what eternal so is,
While's up-appearing surface smoothing.
A work's wending-wise footing to view,
From-it's sing within singular spective
To early-note's morning light melodic.
These: so-sitting's run-for-it cover,
With evening's plate of colors warming.

Forty-eight

Neighing nature's end-run syllable-seed,
Too frothy-musk for wording's tiny trim.
All of this and so much more's pitch,
Butter-terms apple-snap/rumple-crush.
Fixin's-n-feedin's free-fall (tonight only),
Starting's gift-of-going assumptive oh,
At within platform's place printing foot.
Mere discussion's calendar-converses an
Astrolabe-logic's silly-fuel nets-not a say.

Forty-nine

Oh to quilling's still brilliance (history, eh),
On banks of baking-because revolution-mode.
Much of this becomes litter-looking's it,
Forgiven's mild elastic (at last) passing –
To seize what slowly goes slower again.
Nobody's humble fret-whiffle diaper-days
Effort-sniff best-yet jersey-prize license.
Ax within relaxation's knocky-block socket,
Ant meaning's mess-hall march informing.

Fifty

Minute's moment-mound/bound-fit interest webbing,
Since then: an arm's lucky trial flipping up.
Oh for our central innocence in returning's
Fragility (agile as) when it's money again.
To price and pay-for's certain clearing,
Away's missing-distance no post conveys:
Perhaps (this term's family) encore-soon.
At within pattern's emblem-blooming dial,
Turning's turn: presenting easy's white noise.

Fifty-one

Owl-toes concerned: at long-drawing's front lawn,
By the porch of old sea-block yard-armings.
Then: to finish well what well does being,
A T's start for-arranging-for's nodule.
Work's all-time employ/relay to ping-pong,
Upon latitudes of doubly-deeming's two-fer
Dreams of fully-wooly briskness up and down.
That; how well one thing but forever will
Straightly-state steadiness awaiting until.

Fifty-two

Have's have-again then-to: our place near
As morrow's now-now explanations of.
Here's the sub-title's numb extractor's
Offering in darkness and slight line.
Keep-deeply's deep-keepings-for saying's
All-over somewise authorium on layers,
Twin-engine set-forth by the full case.
How's about out's ladder-leaning lance
To charge what vault wondrously looms?

Fifty-three

Patty-whack nickel-knack coffee snack jartop,
On ancient ears of plastic corn-syrup parts.
Right's night-science of wiggly-thinkingisms,
Partial at last to subtle-scenery's rolling.
Of course: mounds of mounting apologetics
On ability's unmeasureable obstacle-monocle,
Tone-dreaming's ardent sky of reliant pitch.
Somewhere else's voluntary haste-replacement
Rations on twin-lolly explanations thin as air.

Fifty-four

Eventuality (rustling musk) by numberless
Order on certainty's nimble range-peaks.
Then again: fiddle-knowing's tangerine-bean
Wilderness thenceforth in nomenclature put.
These: one-way/sun-stay's ever-stating way
From here to every-whence locality's this,
Seeing's farm-fence obligato-plain accept.
Not-for-now's running fortune a case of
Nature's needing-fulness season-so cycle.

Fifty-five

Extent (by hourless standing) total-notion,
writing's writ with heightening's wit combine.
No-such/no-touch torch-flush crushy-mush,
This the tale of starry's fullest day-o-night.
Happens: on grand and great fortunate morn,
Firstly's ever-so hour in ripe-arrival's half:
So peeks steering's deck-helmsmate a-compass.
Closing's towardness but fitting's institute,
Property-by involving artful final notions.
